Insurance policies

The following insurance policies are in force for the whole of my period abroad:

Insurance policy	Name	Policy No.
Health insurance	<u>CNA</u>	<u>N° AMC 98532001</u>
Accident insurance	<u>MAIF</u>	<u>7464846A</u>

It is mandatory to clarify your workplace accident and liability insurance with the host company/organisation, if the project/traineeship is not already covered by your own insurance. It is also compulsory to ensure that health insurance provides sufficient cover in the destination country. In addition, insurance covering repatriation in case of serious accident or illness is strongly recommended.

By signing this document, I confirm that I approve the Learning Agreement and will comply with all the arrangements negotiated for my mobility. I will abide by the rules and regulations of the host organisation and communicate with the home institution about any problem or changes regarding the mobility. I commit to what is set out in the SEMP Grant Agreement and I confirm that I have sufficient insurance cover for the period of my mobility abroad.
